SECRETARY: P. Newton
Ph.: 0408 920205

MEMBERSHIP APPLICATION

CLUB OVERVIEW

TRACS was formed in February, 1999 to cater for enthusiasts of all ages who have an interest in tractors, and associated vehicles, eg. trucks, be they vintage, classic or modern.

One of the aims of the group, as the name suggests is to promote and encourage the appreciation, restoration and preservation of vehicles to as close to original appearance a possible.

Another is to participate in rallies, exhibitions, field days, etc. so that TRACS may promote an appreciation of the part that vehicles have played in the agricultural development of Australia.

TRACS holds a vintage and classic tractor pull annually, at its grounds in Wilga Road, Red Cliffs. This tractor pull incorporates the National Lanz "Bulldog" Championships.

MEMBERSHIP

Members will be encouraged to assist with the maintenance of the TRACS ground as required, and to participate in club events and similar events held by other clubs.

Members will also have affiliation with the National Historical Machinery Association (NHMA) and will be covered by Public Liability insurance.

Membership Fee is \$65 at present. Second member at same address \$50. Junior membership (16 and under)\$40. A percentage of this fee, determined each year by the NHMA is payable to the NHMA for insurance cover.
